

## 12V 2AH LI-ION BATTERY

**DCB127**

**2.0 AH**

**12V XR**

|                    |   |
|--------------------|---|
| Voltage            | 12V   |
| Battery Chemistry  | Li-ion  |
| Battery Capacity   | 2.0Ah   |
| Tool Compatibility | All 10.8V* Li-Ion DEWALT tools (*12V max. equivalent) |
| Tool Connect       | No  |
| Weight             | 0.2 kg  |
| Length x Height    | 85 x 35 mm  |

## 18V 1.5AH LI-ION BATTERY

**DCB181**

**1.5 AH**

**18V XR**

|                    |                             |
|--------------------|-----------------------------|
| Voltage            | 18V                         |
| Battery Chemistry  | Li-ion                      |
| Battery Capacity   | 1.5Ah                       |
| Tool Compatibility | All 18V Li-Ion DEWALT tools |
| Tool Connect       | No                          |
| Weight             | 0.35 kg                     |
| Length x Height    | 110 x 45 mm                 |

## 18V 2.0AH LI-ION BATTERY

**DCB183**

**2.0 AH**

**18V XR**

|                    |                             |
|--------------------|-----------------------------|
| Voltage            | 18V                         |
| Battery Chemistry  | Li-ion                      |
| Battery Capacity   | 2.0Ah                       |
| Tool Compatibility | All 18V Li-Ion DEWALT tools |
| Tool Connect       | No                          |
| Weight             | 0.40 kg                     |
| Length x Height    | 110 x 45 mm                 |

## 18V 2.0AH LI-ION BLUETOOTH BATTERY

**DCB183B**

**2.0 AH**

Bluetooth **TOOL CONNECT**

**18V XR**

|                    |                             |
|--------------------|-----------------------------|
| Voltage            | 18V                         |
| Battery Chemistry  | Li-ion                      |
| Battery Capacity   | 2.0Ah                       |
| Tool Compatibility | All 18V Li-Ion DEWALT tools |
| Tool Connect       | Yes                         |
| Weight             | 0.45 kg                     |
| Length x Height    | 110 x 48 mm                 |

## 18V 4.0AH LI-ION BATTERY

**DCB189**

**COMING SOON**

**4.0 AH**

**18V XR**

|                    |                             |
|--------------------|-----------------------------|
| Voltage            | 18V                         |
| Battery Chemistry  | Li-ion                      |
| Battery Capacity   | 4.0Ah                       |
| Tool Compatibility | All 18V Li-Ion DEWALT tools |
| Tool Connect       | No                          |
| Weight             | 0.6 kg                      |
| Length x Height    | 118 x 50 mm                 |

## 18V 5.0AH LI-ION BATTERY

**DCB184**

**5.0 AH**

**18V XR**

|                    |                             |
|--------------------|-----------------------------|
| Voltage            | 18V                         |
| Battery Chemistry  | Li-ion                      |
| Battery Capacity   | 5.0Ah                       |
| Tool Compatibility | All 18V Li-Ion DEWALT tools |
| Tool Connect       | No                          |
| Weight             | 0.62 kg                     |
| Length x Height    | 110 x 65 mm                 |
