

# **Compact MultiMeters + Voltage Detector**

# Combination MultiMeters with Built-in Non-Contact AC Voltage Detector

To quickly check for the presence of AC Voltage before testing

## **EX300 Series Features:**

- 0.5% basic accuracy
- Built-in non-contact AC Voltage Detector with red LED indicator and audible beeper
- Large 1" digits make it easy to read
- Low battery indicator
- Complete with stand, test leads, protective holster, batteries, general purpose bead wire temperature probe (Model EX330)

Built-in Non-Contact Voltage Detector automatically detects a live wire when the red LED is lit with audible beeper

BUILT-IN

#### Model EX310

Manual ranging

#### Model EX320

- Autoranging
- Max Hold: captures highest reading
- Data Hold: freezes the display
- Auto Power Off: conserves battery life

## Model EX330

- Autoranging
- Data Hold: freezes the display
