

VC 1.800

The VC 1.800 dry vacuum cleaner with reusable textile filter and switchable floor nozzle for carpeted floors and hard surfaces impresses with its stable design and powerful motor.

1 Reusable textile filter

- The reusable fabric filter puts an end to buying replacement filter bags. Simply remove the filter, wash it and refit it, and the vacuum is ready to use.

2 Sturdy metal container

- The robust and sturdy metal container is designed for a long service life.

3 Practical blower function

- Where vacuuming is not possible, the practical blower function can be used.
- Effortless dirt removal, e.g. from a gravel bed.

4 Switchable dry floor nozzle

- The switchable floor nozzle can be quickly and easily adapted to the floor covering and ensures optimal dirt intake.

VC 1.800

- Reusable textile filter
- Robust and solid metal container
- Blower function

Technical data

Order no.	1.723-961.0	
EAN code	4039784561915
